- 1. General Information:** No entry fee required. Valid Identification and Lucky North Club Membership required. Entries limited to one per person, per contest. Must be at least 18 years of age to participate in this contest. Entries must be signed, completed, and delivered to contest officials in person. It is the responsibility of each contestant to allow sufficient time to submit their entries. Finger Lakes Gaming and Racetrack is not responsible for guests who are unable to submit their entries due to time constraints or other unforeseen issues.
- 2. Contest Races:** Contest races are the first eight Finger Lakes races taking place on the promotional day.
- 3. Prize Awards:**
  - **Top Three Scores:** \$1,000 for First Place; \$600 for Second Place; and \$400 for Third Place. Winners will have 30 days following the official posting of contest results to claim their cash prize. In the event of ties for award positions, the contestant(s) whose total mutuel prices for winners selected during the contest period is higher, will be declared the winner. If the contestant(s) remain tied, prize monies for all involved positions will be added together and divided equally.
  - **Random Drawings:** Prize drawings for betting vouchers will be conducted throughout the contest among all contest participants. Following contest races 2 - 6, one (1) \$50 voucher will be awarded. Voucher winners must report to the tournament area prior to the start of the final contest race in order to claim prize. Contestants are only eligible to win one voucher per contest day. If contest is canceled, no drawings will take place. Unclaimed vouchers will not be awarded.
- 4. Entry:** Entries are limited to one per person, per contest. Lucky North Club membership required to participate and receive entry form. Any person submitting more than one entry will have all entries disqualified. Entries must be completed, signed and delivered to contest officials in person no later than the first contest race post time to be eligible. Players are responsible for ensuring all selections on their entries are correct.
- 5. How to Play:** Contestants shall select one (1) primary choice and one (1) backup choice for each contest race. Selections must be made using the official program number. Backup choice will only be utilized if the primary choice is scratched. If a contestant's primary selection is not listed among the official entrants, the back-up selection shall be utilized for that race.
- 6. Coupled Entries:** In the event there are mutuel (coupled) entries in a contest race, contestants must designate one specific part of the entry. For example, contestants who select "1A" in a 1-1A entry will only receive points if the "1A" horse finishes in one of the top three positions (win, place or show) for that race.
- 7. Best Bet:** Each entrant will be allowed to select one "Best Bet" race by circling the designated race number on the entry. Any points accumulated from the selection designated as the "Best Bet" will be doubled. If an entrant's "Best Bet" selection is scratched, the alternate selection given for that race will be designated as the "Best Bet". If both choices are scratched in a race that a contestant has selected a "Best Bet", the contestant will not have a "Best Bet" selection. In the event a contestant's selected best bet race is canceled or designated as a non-race; the contestant will not have a "Best Bet" selection. If a contestant selects more than one "Best Bet", no selections will be recognized as such and the contestant will only receive the regular points awarded for each selection.
- 8. Point Awards:** Points will be awarded as follows: 5 points for an official first-place finish; 3 points for an official second place finish; 1 point for an official third place finish. Points will be awarded based on the official posted results of that race, by the host track. Points are awarded for the primary selection only, unless the primary selection is scratched. If primary selection is scratched, alternate (backup) choice will be utilized to determine points awarded for that race. Should both primary selection and alternate be scratched, contestant will receive no points for that race.
- 9. Dead Heats:** Should a "dead heat" be declared within a contest race, points will be awarded according to the official results of the race. For example, if the winning horse is declared a "dead heat" among two horses, both horses would be awarded a first place finish by the host track and therefore, both horse selections would be worth 5 points in this contest for that particular contest.

race. The next horse to cross the finish line would be awarded 3<sup>rd</sup> place by the host track, and therefore would be worth one (1) point in the contest.

**10. Non-Starter Exception:** If a primary selection is designated as a non-starter (or running for purse money only), due to gate malfunction or other reasons, the backup choice will be used. If the backup choice was scratched, the contestant will be awarded the post time favorite. Likewise, if a selection is scratched, and the backup choice is designated as a non-starter, (or running for purse money only), the contestant will receive the post time favorite. Once the race begins, all horses that start the race are considered participants and their result will stand, regardless of whether or not they finish the race.

**11. Race Cancellation(s):** If more than four contest races are canceled, the contest will not be held. If a single contest race should be canceled once the contest has begun, no points will be awarded for that race. In the event a contestant's selected best bet race is canceled or designated as a non-race; the contestant will not have a "Best Bet" selection.
